Dear Friend,

The young Scout presenting this letter to you is a Life Scout in Scouting America and is a candidate for the rank of Eagle Scout.

As the final step in determining the qualifications for the rank of Eagle Scout, an Eagle Scout Board of Review must be conducted. At that time, members of the Board of Review will discuss, with the Scout, his/her achievements as a Scout, and in daily life, and determine if said scout meets the requirements for the highest rank of Eagle Scout. Those requirements include a series of advancements, earning at least 21 Merit Badges, and evidence of leadership skills. A candidate for Eagle Scout must serve in one or more leadership positions in the Troop, and must plan, develop, and lead others in a service project helpful to a religious institution, school, camp, or other community organization not affiliated with Scouting America.

An Eagle Scout candidate must also demonstrate that he/she lives by the principles of the Scout Oath and Law in his/her daily life. In this regard, the candidate has indicated that you know him/her personally and that you would be willing to provide a letter of recommendation on his/her behalf. I have enclosed, on the reverse side of this letter, a copy of the Scout Oath and Law for your reference in preparing the letter. Please note that the contents of the letter will NOT be shown to or discussed with the candidate, nor with anyone not a member of the Eagle Scout Board of Review. Of course, you are free to discuss the information with him/her, if you so desire, but you are under no obligation to do so.

If you are willing to do so, please send a letter, addressed to me at 975 Millbrae Court #5, West Palm Beach, FL 33401, as soon as possible. If you are unwilling to provide such a letter, please notify the Scout so that he/she may arrange for an alternative reference. Since the Eagle Board of Review may be delayed until we receive the references, an early reply would be appreciated.

Thank you for your cooperation.

Yours in Scouting,
