Academy Director:

**Officer Fabio Improta PSLPD
(772) 882-5683**

Senior Drill Instructors:

**Officer Steve Camara
(772)-408-2403
James Luongo
(786)-256-9293**

INTRODUCTION

The 2026 Law Enforcement Explorer Academy is a residential career education program providing Explorers with practical, hands-on law enforcement and life-skills training. The academy is presented in a structured and highly disciplined environment, much like that found in police and military recruit training centers.

The Academy Planning Committee has designed an educational, challenging, and vigorous experience for the Explorers. The program includes regular physical training drills each morning. There will also be demonstrations and classroom instruction on police-related topics. Participants will explore the many duties of the law enforcement profession and its different specialty units. Explorers should expect many physical and mental challenges.

Explorers can expect to rise each morning at approximately 5:30 a.m. and retire at about 9:00 p.m. each night. The days are full and active. They are also very hot, so participants are continually encouraged to drink water, which will be in ample supply. Participants should also be prepared to protect themselves from bug bites and sunburn. There is a health lodge on the premises to provide first aid for minor injuries. Participants will utilize the buddy system, and **NO EXPLORER WILL GO ANYWHERE BY THEMSELVES.**

This will be a realistic training experience. The academy is modeled on military style boot camps. Drill Instructors will interact **loudly** with the participants and full participation is expected from all who attend. There is a two-tier program at the academy. First-time attendees will be placed in the Level I group with a basic curriculum. Graduates of previous years' programs will be placed in the Level II group with a more advanced curriculum.

Explorers who successfully complete the academy will be recognized at the graduation ceremony with a certificate and a citation ribbon to wear on their uniforms. One Explorer will be chosen for the Outstanding Leadership Award and one for the "Warrior Award" both selected by the Senior Drill Instructors of the Academy. Families are encouraged to attend graduation which will take place on Saturday, July 26th at 12:00 pm. The location is Calvary Church located at 10180 W. Indiantown Road Jupiter, Florida.

REGISTRATION

The academy is limited to 100 participants. **All participants must be registered Explorers from currently chartered posts.** Registration will be on a first come, first serve basis. There is a **\$335.00** participation fee for each youth participant and **\$185.00** for adult participants who plan to eat at the camp. Fees cover the academy's cost for food, camp fees and supplies. Posts must secure their reservation on or before **June 1st, 2025.** All payments are due by **June 20th, 2025.** Failure to pay at or before check-in will result in your registration will be removed. Registration will be completed through tentaroo (Gulfstream Council). Payment also be made to Gulfstream Council via check or credit card. Credit cards will incur a 3% service fee. (Please contact me with questions).

MEAL PLAN

Explorers will eat meals in the camp dining hall or other facilities provided by academy staff. Participants with dietary restrictions should note them on the registration form. **Explorers with extensive dietary needs will need to provide their own pre-packaged meals in containers labeled with their name and post number.**

VISITORS

There are no facilities at the camp to allow parents or children not enrolled in the Explorer program to camp or stay overnight. **Explorers not enrolled in the Academy, may not come to the camp as a spectator.** If a parent/guardian must contact their Explorer, please have them do so via his/her Advisor. If you come to the site, please check-in at the drill instructor hut, prior to entering the camp's grounds.

PETS AND CAMP WILDLIFE

There is wildlife at the camp. Do not harass, feed, or handle the animals. No pets are allowed at the camp.

HEALTH & PERSONAL HYGEINE

All participants must submit completed Learning for Life medical forms and parental consent forms. In the event of emergency, these will allow academy staff to authorize medical treatment. All medications will be turned into the health lodge at check-in and will be dispensed as required.

Restrooms and showers are available at the camp. Explorers are responsible for bringing their own personal care items and medications. **Each Explorer is expected to maintain healthy hygiene throughout the week. Showering daily is required!**

UNIFORMS

Except for physical training and other specified activities, the **required** academy uniform is the issued T-shirt, which is included in the participation fee, and BDU-style pants approved by the participant's post and supplied by the Explorer. Explorers will be issued five camp shirts and a cap at check-in. **A minimum of 3 BDU style pants are required for each Explorer. All BDU pants are required to have the Explorers full name printed legibly on the inside of the BDU's. The preferred color is tan, although black and/or blue are acceptable with ABSOLUTELY NO CAMOUFLAGE.** In addition, each Explorer needs boots and a uniform style under belt to be worn daily. Explorers will be provided with a shirt for graduation and will wear it with a pair of their BDU's. There are limited laundry facilities on site if an advisor wants to wash clothes.

ADVISORS

All posts will always have an Advisor at camp while their post is participating in the academy.

Advisors will approach Drill Instructors in charge of their Explorers, to obtain permission to speak with or remove their Explorer from their assigned team.

Any issues or concerns regarding discipline or treatment of Explorers must be addressed to Director Improt. If necessary, SDI Camara will be informed of your concerns and addressed accordingly.

Advisors will be assigned duties throughout the week to assist with maintaining camp functions.

Advisors must always be available, via telephone, while at camp. It is the Advisor's responsibility to ensure their Explorer's needs are addressed at the end of each night. **ALL Advisors are expected to assist with the day-to-day activities while at the academy.**

WHAT TO BRING – Explorers

1. Completed and signed Medical Release, Registration Form & copy of insurance card (if applicable).
2. BDU-style pants (Minimum of 3 BDU's required. Tan will be cooler for the Explorer) (No camouflage)
3. Underwear for each day
4. Athletic shoes and proper socks for each day (2 pair per day are preferred).
5. PT clothes for 6 days *** No form fitting clothes (i.e. tight leggings or spandex)
6. Swimsuit
7. Shower Towel and Pool Towel
8. 2 bed sheets
9. Pillow
10. Pillowcase
11. Blanket
12. Toothbrush
13. Toothpaste
14. Soap
