

2026 FACT SHEET

SCOUTS BSA SUMMER CAMP &

Sea Scout Port Adventure

Come experience the redesigned program while celebrating the tried-and-true traditions at Tanah Keeta!

WHY TANAH KEETA SUMMER CAMP?

- ❖ This isn't your ordinary summer camp, it's a full museum adventure! Our program goes beyond badges and advancement. Scouts become explorers, unlocking new skills through hands-on discoveries, exciting challenges, and after-dark adventures straight out of Night at the Museum.
- ❖ Our Scouts BSA Summer Camp Program takes full advantage of our camp's natural beauty and features. Our camp sits on a bend of the Loxahatchee River with riverfront to ocean access, a spring-fed lake, and pristine woodlands. Our camp facilities include an Olympic-sized swimming pool—newly refurbished in 2020! Along with a fully stacked Aquatics program offerings, two week-long SCUBA adventures and add-on SCUBA activities! We also offer an Angler Adventure, complete with a deep-sea fishing trip! **New this year, we have revamped the camp to add extremem adventures to each area!**
- ❖ We offer Merit Badges taught by professional and certified Counselors and guests! You can also attend class at the Jupiter first responder mobile classroom, Speak with a police Detective, and chat with a Leave no trace master trainer!
- ❖ We want our adult leaders to enjoy themselves while they're at camp! We offer specialty classes, training, and fun challenges. Sign up for CPR or Leave No Trace Training Course, Scoutmaster COPE & Climb, or a guided tour of beautiful Mike Machek Trail.
- ❖ Join us for Open Swim or Open Ranges! And don't forget our Head-to-Head Patrol Challenges! Who will win the Top Troop Paddle this year?
- ❖ Last, but not least, is our Summer Camp Staff! You will find them to be spirited, skilled, and always ready to help. Together, we will make life long memories!
