

BEAR EYE TRAIL

- This trail is designed to be a short night hike, but can be completed during the day as well.
- The trail is marked using **BLUE** reflectors, so having a flashlight at night is very helpful.
- There are a total of 12 reflectors that mark the trail.
- Scouts should recite one point of the Scout Law at each of the 12 reflectors.
- Bring plenty of water and stay hydrated while on the trail.
- Please use flashlight etiquette and follow the rules of Leave No Trace
