

Upcoming Priorities

1. **Work with existing families NOW to determine leadership for next school year.** What current parents have younger kids & would be willing to serve as a leader for the Lion or Tiger den? What other families do they know within their network (work, school, neighbors, church or extracurriculars) that would have interest in joining & leading?
2. **Set a date NOW for unit leadership to meet to develop the plan for next program year.** Use this session to finalize your program plan, budget & leadership. Invite your Commissioner to attend & assist in the process.

***Annual planning resources available at
gulfstreamcouncil.org/membership***

3. **Determine Your Back-to-the-Pack Event.** Share these details with all families to get it on their calendar early.
4. **Submit your unit info sheet to your Executive/Commissioner.** Be sure to share this information with ALL families, new & returning.
5. **Ensure your Be-A-Scout pin is up to date** with accurate meeting information, point of contact & activity fee.
